

SUBJECT: 2012–13 School Calendar

PERSON(S) RESPONSIBLE: Billie Mankey, Director II, Human Resources

RECOMMENDATION:

The Administration recommends that the Board approve the proposed 2012-2013 school year calendar or direct staff to other options.

BACKGROUND:

Each year the District works with the employee associations and site administrators to develop a proposed calendar for the upcoming school year. The process goes through the Calendar Committee as outlined in the PGTA Contract and adheres to all State requirements.

INFORMATION:

The proposed calendar for 2012-2013 addresses the primary interests of the majority of our represented groups as well as the Board of Trustees. School will start for students on August 8, 2012 and end on May 31, 2013. This calendar balances the number of instructional days in each semester, it keeps a full week in October intact for Fall Break, has the first semester ending prior to Winter Break for instructional purposes, has similar structure to our neighboring districts, and places Spring Break at an appropriate time to allow for STAR testing.

FISCAL IMPACT:

Adoption of the calendar meets all State requirements for funding as students will be in class for 180 days as required and teachers will work 183 days except for new teachers who will work 184 days, consistent with current contract language. Therefore, there is no adverse fiscal impact resulting from the adoption of the calendar as proposed.
