

Pacific Grove USD and the MCOE Spam Quarantine

If you aren't getting all of the email you expect, you may need to check your account at the MCOE Quarantine system. All of our email passes through their server and the obvious junk mail is filtered out. Anything that is "good" is passed through, and anything in question is held in "quarantine" until you decide it's fate.

Periodically, you will get an email from:
Monterey County Office of Education Spam Firewall.
do-not-reply@monterey.k12.ca.us

It will look similar to the picture below. Ignore the individual lines that say Deliver – Whitelist – Delete. Go to the bottom → click "...manage your preference, CLICK HERE"
This takes you to MCOE, logs you into the quarantine, and shows you the full list.
