

PARENTS' PLACE ALUMNI!

Are you and other parents challenged by your six-year-olds? The many adjustments of your tweens? Or are you just missing that parent-teacher connection? We have the solution.

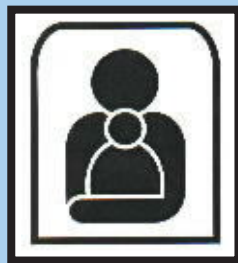

Gather a group of friends for a time of re-connecting with each other and discussing ages and stages and parenting strategies—and help raise funds for Parents' Place at the same time.

YOU provide the setting and topics. Potluck at your home? Wine and cheese evening? Parents' Place will provide the teacher of your choice to join you: Chinanit, Elizabeth, Gail, Kirsten, or Linda, who will lead the discussion and share insights into parenting beyond Parents' Place. Teachers are volunteering their time and relevant materials.

Each party is \$200, which is a tax-deductible donation to the Friends of Parents' Place. You get to decide if that's \$20 from ten friends or \$10 from twenty friends.

To schedule your gathering, contact Gail at groot@pgusd.org or call 646-6623. We look forward to catching up with you!

Parties for Parents' Place

Parents' Place—because children don't come with instructions!
