Pacific Grove Unified School District

Educational Technology Plan

2016-2019

Matthew Binder
Instructional Technology,
Data and Assessments - TOSA

Focus

- Process
- Design and Structure
- Moving Forward

Process

1. Needs:
   - Studied current reality
   - Measured readiness
2. Looked to the "outside"
3. Stakeholder input
4. Drafted plan
5. Revisions

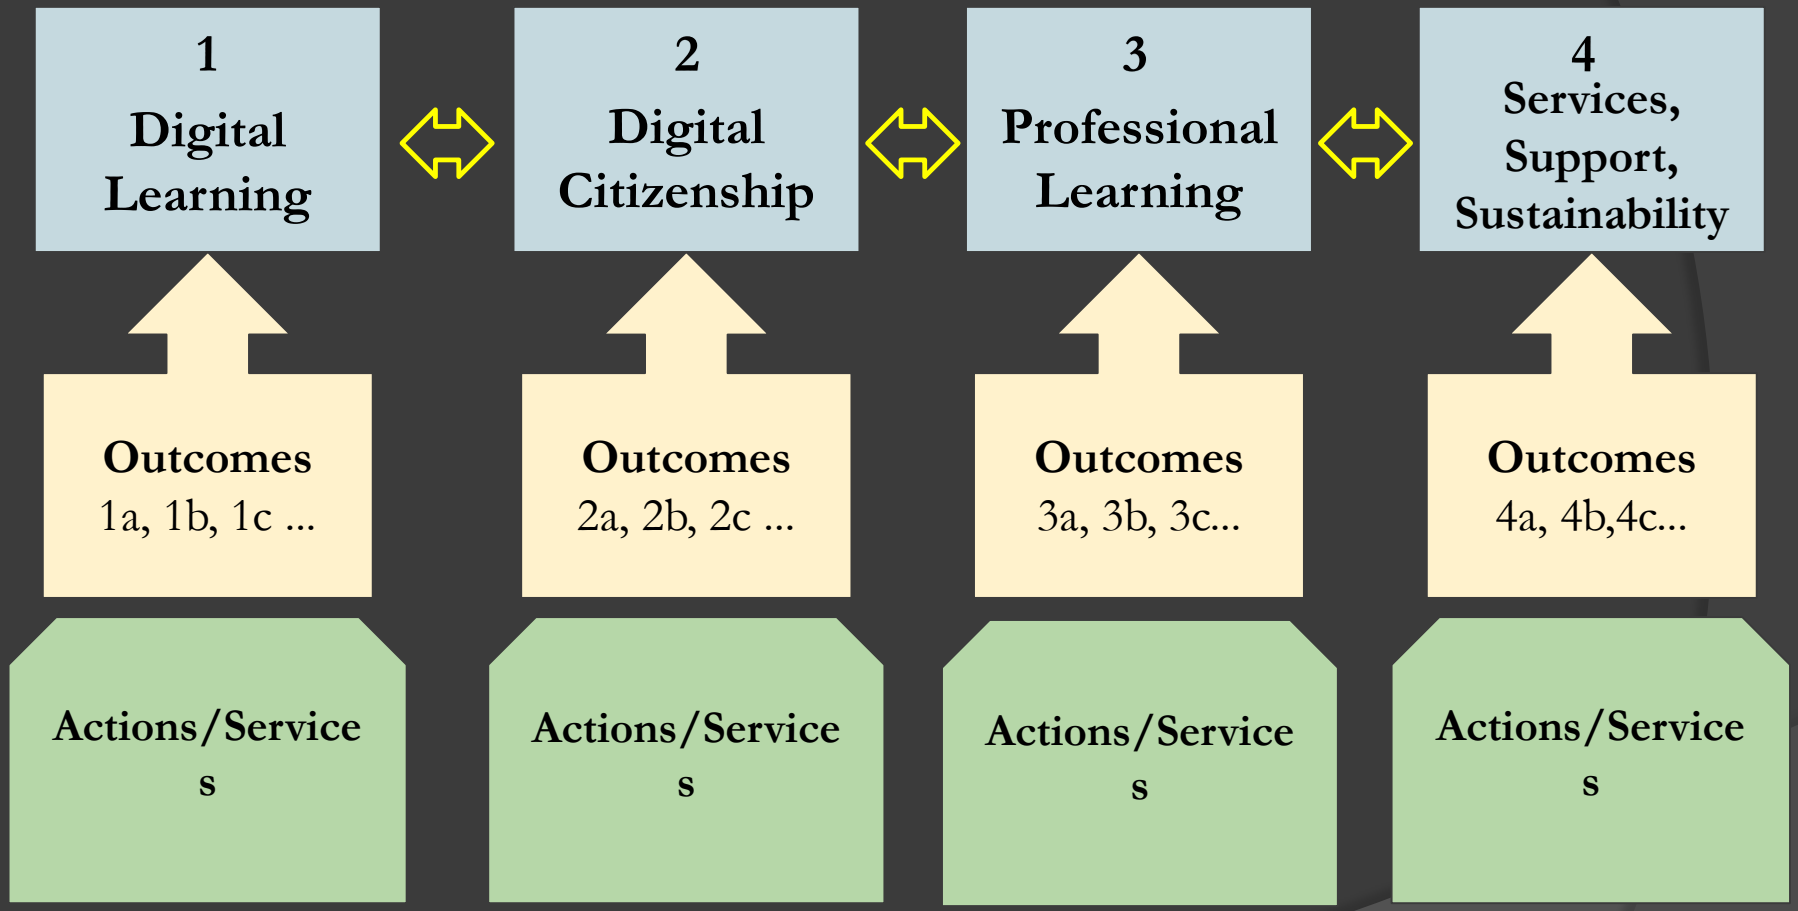
Design and Structure



Area 2: Digital Citizenship

Goal:

"Positive, purposeful, and productive digital citizenship becomes a cornerstone of the school's cultural identity and student character development."

(Aligned with LCAP Goals 1 and 4)

Outcomes:

- Grade level digital citizenship lessons
- "Tech Nights" for parents at sites
- Digital citizenship assemblies and activities
- AUPs updated

Area 4: Tech Services, Support, Sustainability

Goal:

"A robust, responsive, and equitable "service-oriented" system of tech support is established to meet the growing needs of technology end-users and learners district-wide."

(Aligned with LCAP Goal 1, 2)

Outcomes:

- 1:1 for grades 3-12 is completed
- Wi-Fi connectivity and performance is optimized
- "Tech Help Ticket" notification system is created
- Network security, filtering, and threat detection is expanded

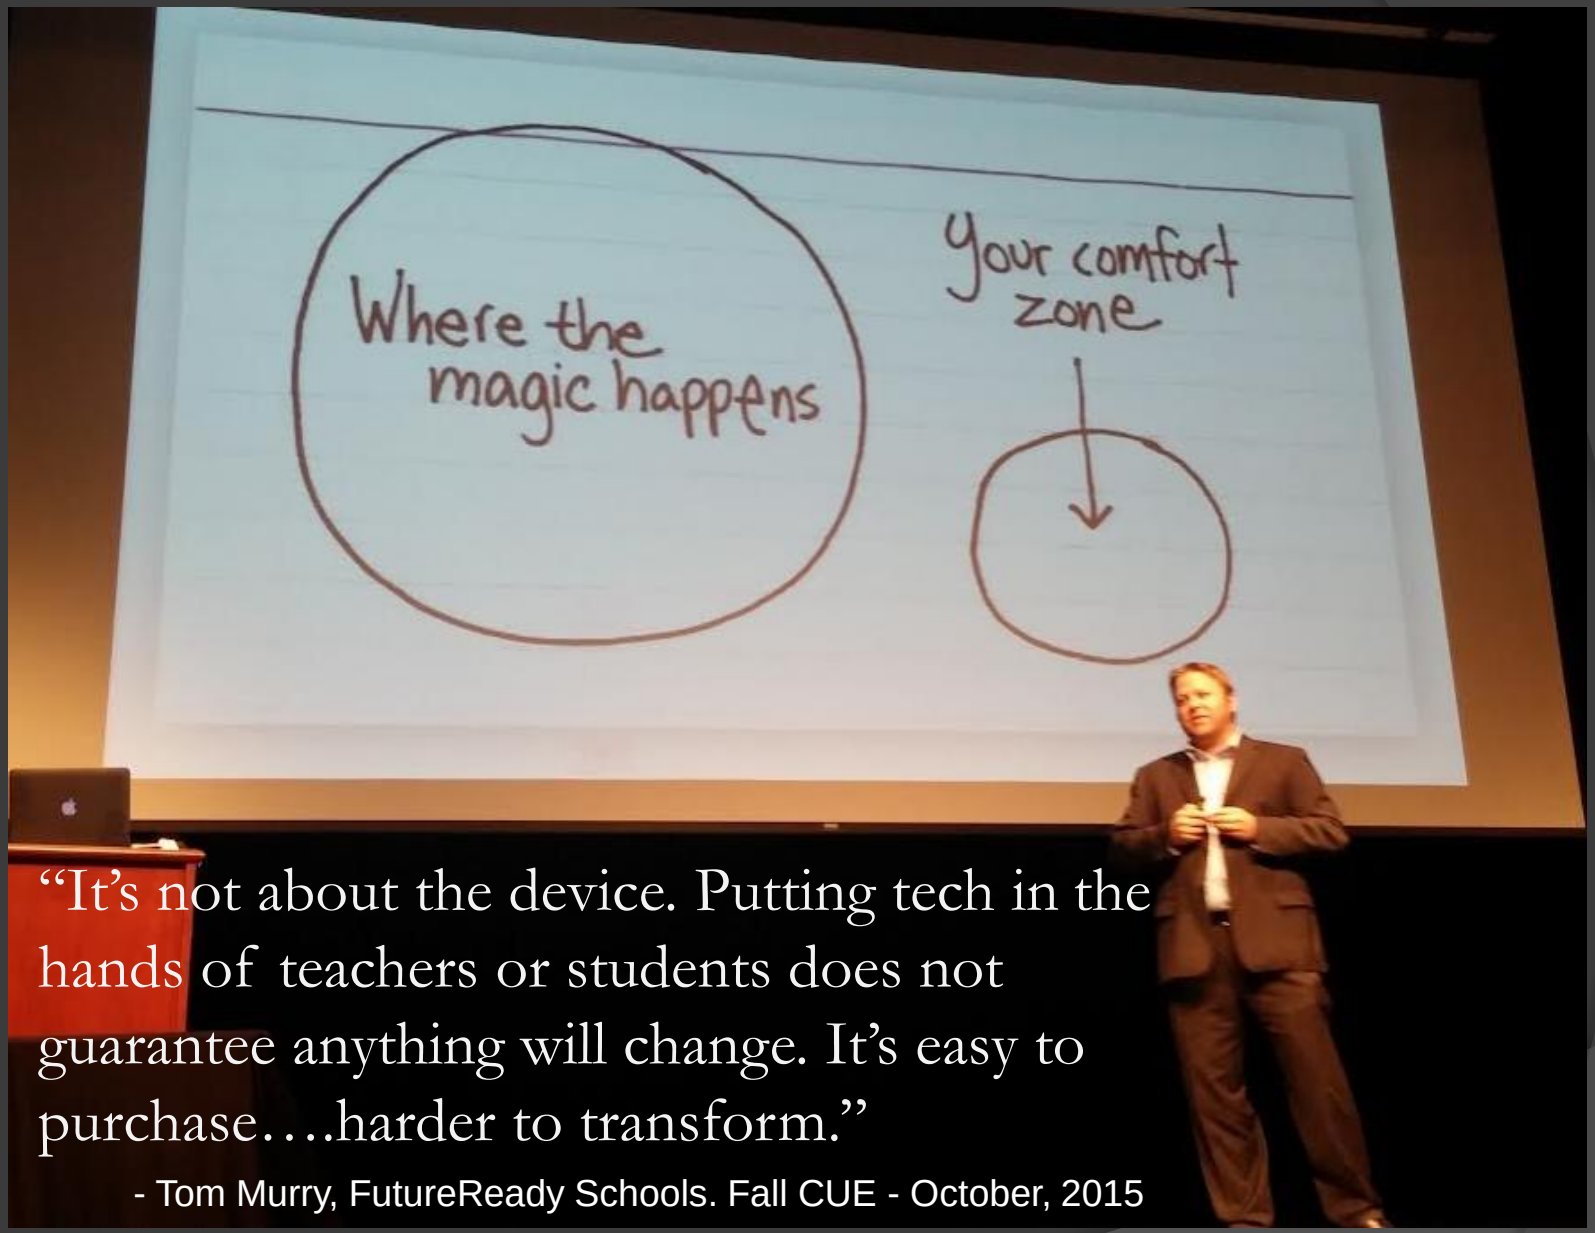
Help

Moving Forward

- Use the plan to inspire innovation
- Tech requests/proposals to be align with outcomes and goals in the plan
- Tech Committee to oversee and monitor implementation of the plan



"It's not about the device. Putting tech in the hands of teachers or students does not guarantee anything will change. It's easy to purchase….harder to transform."

- Tom Murry, FutureReady Schools. Fall CUE - October, 2015

Thank You
