# Illuminate Student Information

Get a holistic view of your student.

In delivering successful outcomes for today's educators, Illuminate Student Information (ISI) goes beyond CALPADS to positively impact your district at every level.

- Data-driven master scheduling → Ensuring access and equity for all
- Comprehensive student profile → Informing whole-child decisions
- Streamlined processes → Focusing time and resources where they matter most
- One platform → Targeting your core data systems (SIS-Assessment-SPED)
- Configurable user-navigation → Making system workflows easy
- CALPADS, ADA, CRDC → Mastering compliance with powerful tools
