

PGUSD Math Update

PGMS

Worked with Math Coach Kate Gallaway

Assessed 8th graders for 9th grade math placement

Curriculum Audit

LCAP: added an RTI Math class (now 7th and 8th grade)

LCAP: added a Transitional Math class to support our SPED students

PGHS

Summer Bridge class offered

Integrated Math II to be split into algebra and geometry

After school math tutorials

508 students signed up for math this coming year (86% of the school)

School emphasis on students achieving higher level math; additional honors classes being offered

Robert Down

All 5th Grade Teachers attended the Middle School Math Summit

3rd-5th Grade Teachers were provided ongoing math training with Kate Galloway, math coach, during 16-17 school year

All teachers attended PD on Mathematical Mindsets

Piloted Ten Marks, xTra Math, and Engage NY (beneficial)

Restructured math block for 4th/5th grade for next year (90 min daily/30 min intervention/extension)

Currently working with Kate Galloway on a year long plan for 17-18

Forest Grove

Had 8 Teachers attend Jo Boaler training: Mathematical Mindsets

MCOE conducted whole staff training on mathematical mindsets

One PLC cycle dedicated to Math Performance task

Number Talks with Kate Galloway

A focus on Small Group Instruction
