Lead Based Paint Update

March 2019	Parents raised concerns about loose paint on the sides of the Pine. Ave. Co-op. Admin took pictures and created a district work order for repairs.
April 30,2019	Parent at the Lighthouse Ave raised concerns regarding loose paint on the Annex building adjacent to the Lighthouse/Dual Language Preschool.
May 02,2019	M3 tests paint chips from Pine Ave and Lighthouse Locations. Results Positive
May 20,2019	District/Site Administration Close both sites and re-locate summer school to RHD site
May 23, 2019	M3 tests soil at PGAE Library, Lighthouse/Dual Language site and Pine. Ave. Samples came back well below the acceptable levels for lead concentration on a playground.
May 30, 2019	Lighthouse/Dual Language Classrooms released by the district and Summer Camp resumes June 10-July 5th.
June 06,2019	Mitigation Update from Director of Facilities, Matt Kelly.

DANGERS OF VAPING

School Resource Officer Hankes gave a presentation at the Pacific Grove Middle School on the Dangers of Vaping. It included in depth education on topics ranging from unhealthy habits to teen addiction. SRO Hankes encouraged students to make healthy and responsible choices. 440 kids were in attendance, as well as Commander Lakind!
