Governor's 2019-20 Proposed Budget for CalSTRS Payments:

- **A total of \$3 billion in one-time non-Proposition 98 funds will be used to buy down CalSTRS contribution rates in 2019-20 and beyond**
 - Based on current assumptions, a \$700 million would be used to decrease CalSTRS Employer contributions in 2019-20 of 18.13% to 17.10% and in 2020-21 from 19.10% to 18.10%
 - The remaining \$2.3 billion is expected to reduce employer contributions beyond 2020-21 by approximately half (0.50%) a percentage point
- **Impact of the reduction in rates to PG USD if the proposal is in statute:**
 - 2019-20 from 18.13% to 17.10% = estimated savings of \$178K
 - 2020-21 from 19.10% to 18.10% = estimated savings of \$175K

Appendix II - Structural Deficit: 2017-18 Second Interim Reported on March 8, 2018

SUBJECT: Approval of the 2017-18 Second Interim Report

PERSON RESPONSIBLE: Rick Miller, Assistant Superintendent for Business Services

RECOMMENDATION:

The Administration recommends that the Board approve the 2017-18 Second Interim Report.

BACKGROUND:

Under current state law, school districts are required to formally update and review their operating budgets at least twice per year. The First Interim Report reflects the results of operations through October 31, and must be approved by the Board and submitted to the County Office of Education by December 15 each year.

In March, the Board reviews and approves the Second Interim Report, which reflects the results of operations through January 31, and must be submitted to the County Office of Education by March 15.

INFORMATION:

The attached Second Interim Report indicates that, based on current information and projections, the District's General Fund will have a positive ending fund balance, a positive cash flow, and the District will be able to meet its financial obligations for the current year and subsequent two years.

With revenues of \$31,643,614 and expenditures of \$33,009,996, the General Fund is budgeted to run a net deficit of \$1,366,382 for the current year. At year end, this deficit is expected to be reduced by approximately \$300,000, once unspent budgets are transferred to the Ending Fund Balance.

The Ending Fund Balance will remain positive, and the District will be able to meet its minimum reserve requirement of 3.00%. Unrestricted General Fund reserves will decrease in 2017-18 due to the deficit spending situation, ending up at approximately 11.0%.

FISCAL IMPACT:

None
