

PGCHS Families,

As we know Monterey County is in the Purple Tier which prevents us from having school-wide in-person learning. However, we do need to continue developing plans for the future when we are given the opportunity to have all students on campus through an in-person hybrid model. In late July we approved an in-person Hybrid model, this occurred a day before we learned that we would have to start the 2020-2021 school year in Distance Learning. Based on what we are learning through Distance Learning instruction we have decided to look at alternate in-person hybrid schedules that are modeled after our current Distance Learning schedule. Below are three schedules we are considering. No decisions have been made and there will be opportunities for input in the near future. I will be providing an update to the school board this evening regarding in-person hybrid learning. The schedules below will be part of my update.

Thank you,
Lito M. García
