

Assembly Bill No. 992

CHAPTER 89

An act to amend, repeal, and add Section 54952.2 of the Government Code, relating to local government.

[Approved by Governor September 18, 2020. Filed with
Secretary of State September 18, 2020.]

LEGISLATIVE COUNSEL'S DIGEST

AB 992, Mullin. Open meetings: local agencies: social media.

The Ralph M. Brown Act generally requires that the meetings of legislative bodies of local agencies be conducted openly. That act defines "meeting" for purposes of the act and prohibits a majority of the members of a legislative body, outside a meeting authorized by the act, from using a series of communications of any kind to discuss, deliberate, or take action on any item of business that is within the subject matter jurisdiction of the legislative body.

This bill would provide that, until January 1, 2026, the prohibition described above does not prevent a member from engaging in separate conversations or communications outside of a meeting authorized by this act with any other person using an internet-based social media platform, as defined, to answer questions, provide information to the public, or to solicit information from the public regarding a matter that is within the subject matter jurisdiction of the legislative body, provided that a majority of the members do not use the internet-based social media platform to discuss among themselves, as defined, business of a specific nature that is within the subject matter jurisdiction of the legislative body, and that a member shall not respond directly to any communication on an internet-based social media platform regarding a matter that is within the subject matter jurisdiction of the legislative body that is made, posted, or shared by any other member of the legislative body.

Existing constitutional provisions require that a statute that limits the right of access to the meetings of public bodies or the writings of public officials and agencies be adopted with findings demonstrating the interest protected by the limitation and the need for protecting that interest.

This bill would make legislative findings to that effect.

The California Constitution requires local agencies, for the purpose of ensuring public access to the meetings of public bodies and the writings of public officials and agencies, to comply with a statutory enactment that amends or enacts laws relating to public records or open meetings and contains findings demonstrating that the enactment furthers the constitutional requirements relating to this purpose.

This bill would make legislative findings to that effect.

The people of the State of California do enact as follows:

SECTION 1. Section 54952.2 of the Government Code is amended to read:

54952.2.
