## 2021-2022 School Accountability Report Card

(Published During the 2022-2023 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Overview

Forest Grove School provides quality education for each of its students. Our school is fortunate to serve students from different backgrounds, abilities and interests. We offer challenging programs in a positive educational environment that develops individual students reach their greatest potential. Our school environment fosters mutual respect, communication and compassion within the entire school community.

Forest Grove's mission statement defines our belief that every child is entitled to an optimum learning and educational experience. Embedded in the mission is the fact that children have different educational needs and challenges at each grade level. Additionally, the staff has written and affirmed core value statements which convey both the philosophy and the commitment of the faculty to the students, each other, parents, and the community at large.

Early primary grades (TK-2) focus on beginning reading, language arts and mathematical concepts and skills. Third grade is a transitional year between skill development and concept application. In language arts the transition is from learning to read to reading to learn. There is an emphasis on encouraging independent personal responsibility. The intermediate/upper grades (3-5) emphasize core curriculum while focusing on preparing students for the transition to middle school. Forest Grove is committed to maximizing each child's learning experience.

## About this School

### 2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
Kindergarten	90
Grade 1	60
Grade 2	63
Grade 3	58
Grade 4	69
Grade 5	68
Total Enrollment	408

### 2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	45.6
Male	54.2
American Indian or Alaska Native	0.5
Asian	8.6
Black or African American	2.0
Filipino	1.7
Hispanic or Latino	27.5
Native Hawaiian or Pacific Islander	1.0
Two or More Races	5.4
White	51.5
English Learners	10.0
Foster Youth	0.7
Homeless	0.0
Migrant	0.0
Socioeconomically Disadvantaged	21.3
Students with Disabilities	13.2

#### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## 2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

Forest Grove has undergone many improvements to its campus. During the summer of 2016, a \$500,000 parking and drop off reconstruction project was completed allowing for smoother traffic flow and improved access to the front of our school. Working with parent and staff volunteers, the playground area was painted and some games were added over the past three years with the most current update during the fall 2022. The learning environment has received several technology updates including class sets of Chromebooks in grades 3-5, six tablets in TK-2 classrooms, and video surveillance cameras. We expect the technology component of classrooms to continue to grow as funds from the educational technology bond become available. In 2018, two modular classrooms to house our expanding program offerings were added. In the summer of 2020, a new playground was installed.

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**  
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	62	N/A	74	N/A	47
<b>Mathematics</b> (grades 3-8 and 11)	N/A	49	N/A	57	N/A	33

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2022-23 Opportunities for Parental Involvement

Parents and the community are an integral part of Forest Grove School. Teachers welcome and receive volunteers in their classrooms. In a typical year, school-wide functions (i.e. Back-to-School Night, Open House, holiday programs, Trunk or Treat, Ice Cream Social, Parent Conferences, Butterfly Parade and Bazaar, Family Game Night, and Falcon Fun Fest) are well attended. In 2020-2021, these functions were canceled due to the pandemic, but they have been successfully reinstated during the 2021-22 school year. Forest Grove has a very active Parent Teacher Association (PTA), English Language Advisory Committee (ELAC), and School Site Council (SSC). The PTA provides additional welcome to new parents (often military families) into the Forest Grove community through the Falcon Friends program. Forest Grove involves families and community through various formats and makes these formats available online and in-person whenever possible. Parent and community voices are noted through their participation and advocacy in School Site Council, English Language Advisory Council and the District's Parent Advisory Committee and through forums during PTA and Falcon Family and Friends with Principal Irene. Additionally, parents and community can reach out to the principal and office staff through visits in person, telephone and two email addresses, either district email addresses or [fgdeer@pgusd.org](mailto:fgdeer@pgusd.org).

## 2021-22 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate

### C. Engagement

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.90	1.55	2.45
Expulsions	0.00	0.00	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

## 2022-23 School Safety Plan

Forest Grove's comprehensive safety plan is reviewed each year by our site safety committee and the School Site Council. The plan was most recently reviewed in October 2022. We have adopted the "Big Five" approach to emergency response and all staff receives annual training on the five types of emergency response - shelter in place, evacuation, secure campus, lockdown-barricade, and drop-cover-hold on. Our comprehensive safety plan also contains our drill schedule, school rules, and an overview of the character development used at Forest Grove (Character Counts) and social emotional learning program (The Toolbox).

## 2021-22 Types of Services Funded

The students at Forest Grove receive instructional support in their classrooms from their teacher and a part time Instructional Assistant. Outside of the classroom, students performing below grade level in language arts and math may participate in a pull out program using supplemental materials to help close the gap between their current level of understanding and grade level expectations. We also have a Resource Program, and Two Intensive Academic classrooms serving students who need more direct forms of instruction and alternative or supplementary curriculum.

## Professional Development

Each year, two full days are dedicated to staff development district-wide. Staff also receives two preparation days throughout the year. An additional hour per week is set aside for staff development and collaboration (early release on Thursday afternoons). Teachers receive an additional 170 minutes each week to ensure that they have time during the school day for preparation and parent and community contact. Grade level meetings have been held to identify students in need of additional support/tutoring, using Title I and Title III funds.

This table displays the number of school days dedicated to staff development and continuous improvement.
