## School Accountability Report Card

### Reported Using Data from the 2016-17 School Year

#### Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **School Description and Mission Statement (School Year 2017-18)**

Forest Grove School seeks to provide a quality educational program for each of its students. We embrace the fact that the school serves students of different backgrounds, abilities and interests. We are committed to offering challenging programs in a positive educational environment that develops individual students to their greatest potential. This environment fosters mutual respect, communication and compassion within the entire school community.

Forest Grove's Mission Statement was written with the belief that every child is entitled to an optimum learning and educational experience. Not stated, yet understood in this statement, is the fact that children have different educational needs and challenges at each grade level. Additionally, the staff has written Core Values statements which convey both the philosophy and the commitment of the faculty to the students, each other, parents, and the greater community.

Early primary grades (TK-2) focus on beginning reading, language arts and mathematical concepts and skills. Third grade is a transitional year between skill development and concept application. In language arts the transition is from learning to read to reading to learn. There is an emphasis on encouraging independent personal responsibility. The intermediate grades (3-5) emphasize core curriculum while focusing on preparing students for the transition to middle school. Forest Grove is committed to maximizing each child's learning experience.

Forest Grove continues to have many improvements to its campus. During the summer of 2016, a \$500,000 parking and drop off reconstruction project was completed allowing for smoother traffic flow and improved access to the front of our school. Working with parent and staff volunteers, the playground area was painted and some games were added over the past two years. The learning environment has received several technology updates including class sets of Chromebooks in grades 3-5, six tablets in TK-2 classrooms, and new video surveillance cameras. We expect the technology component of classrooms to continue to grow as funds from the educational technology bond become available.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	66	61	71	73	48	48
Mathematics (grades 3-8 and 11)	53	53	57	62	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	216	204	94.44	60.78
Male	108	100	92.59	54
Female	108	104	96.3	67.31

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
<b>Students with Disabilities</b>	29	27	93.1	11.11
<b>Foster Youth</b>	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

<b>English Learners</b>	37	36	97.3	38.89
<b>Students with Disabilities</b>	29	27	93.1	11.11
<b>Foster Youth</b>	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students  
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced

<b>Science (grades 5, 8, and 10)</b>	82	85	82	73	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2016-17)**

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	18.5	26.2	18.5

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

**Opportunities for Parental Involvement (School Year 2017-18)**

Parents and the community are an integral part of Forest Grove School. Teachers welcome and receive a high number of volunteers in their classrooms. School-wide functions (i.e. Back-to-School Night, Open House, holiday programs, Spooky Movie Night, Ice Cream Social, Parent Conferences, Butterfly Parade and Bazaar, Family Game Night, and Falcon Fun Fest) are well attended. Forest Grove has an active Parent Teacher Association (PTA), English Language Advisory Committee (ELAC), and School Site Council (SSC). The PTA has sought to provide additional welcome to new parents (often military) into the Forest Grove community through the Falcon Friends program.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and

### School Safety Plan (School Year 2017-18)

Forest Grove's comprehensive safety plan is reviewed each year by our site safety committee and the School Site Council. The plan was most recently reviewed in December 2017. We have adopted the "Big Five" approach to emergency response and all staff receives annual training on the five types of emergency response - shelter in place, evacuation, secure campus, lockdown-barricade, and drop-cover-hold on. Our comprehensive safety plan also contains our drill schedule, school rules, and an overview of the character development used at Forest Grove (Character Counts).

### **Professional Development (Most Recent Three Years)**

---

Each year, one full day and two half days (three hours) are dedicated to staff development district-wide. An additional hour per week is set aside for staff development and collaboration (early release on Thursday afternoons). Teachers receive an additional 170 minutes each week to ensure that they have time during the school day for preparation and parent and community contact. Grade level meetings have been held to identify students in need of additional support/tutoring, using Title I and Title III funds. From 2013-2016, a professional consultant has been hired to support and lead the staff through professional development activities around Common Core State Standards - with a focus on key instructional shifts. In 2016-18, the focus shifted to establishing a professional learning community engaged in a regular review of student work at Forest Grove. A math coach has been hired to work with our staff to improve student learning and instruction.
