

PGUSD Conceptual Planting Masterplans

Purpose of the Plan

- Provide direction for the improvements of landscaped areas
- Minimize water usage
- Minimize improvement and maintenance costs
- To introduce native vegetation and not mistakenly introduce invasive plant species.
- Contributes to the educational program
- Creates an attractive environment

The background features a series of thin, vertical, slightly wavy lines in a light blue-grey color against a darker grey background. A solid dark blue horizontal band spans the width of the image, containing the text. Below this band is a thin yellow horizontal line, followed by a solid grey horizontal band at the bottom.
