Assessment Findings

In general, Pacific Grove Unified School District schools appear well-prepared to respond to emergency situations. Sites were assessed for their risk of being impacted by hazards identified in the Monterey County Threat/Hazard Inventory and Risk Assessment (Monterey Co. OES, 2015). Hazards considered included the following:

- Earthquake
- Utility Outage
- Hazardous Materials Release
- Severe Storm
- Cyberattack
- Tsunami
- Wildland/Urban Fire
- Flood
- Acts of Violence
